IIRSM Updates

IIRSM Strategy Day

Coinciding with the next IIRSM Council meeting on March 19th, Council Members and the executive leadership, together with invited stakeholders will convene for a one day workshop.

This workshop will field views and opinions on current IIRSM operations, its performance against set KPIs and the previously published strategies and help drive the future development of the Institute.....

IIRSM Branch Updates

Active engagement

The committee is always on hand to support the membership, however we would remind you all that support is two way.....

We welcome input for inclusion in future Newsletters

We welcome suggestions for topics to be included in future meeting schedules

We welcome offers to present at future events

Message from the Chair

As many of you have come to understand, I have lived and breathed all things IIRSM since 2012. Despite the brilliant work of both the current and former committee members, to some degree, I have become synonymous with 'IIRSM in the UAE'

Whilst I have remained active as both a Council Member and Vice-Chair of the M & B Committee, the time I have been able to devote to the UAE Branch has been significantly hindered since mid-2018 & 2019 to date.

As some of you know, my wife and I were expecting twins and they were born on Jan 3rd 2019. As of today, some 62 days later, one of my girls remains in hospital with serious medical challenges.

So I offer an apology for my continued absence and would simply ask that each of you ask yourself, '**What support can I offer to Luay, Kevin, Abdullatif and Haridas?**'

**Could I make a presentation?
Do I know a presenter?
Do I have means to help?**

The branch exists to serve you but without **your** support, it cannot function....

Thanks,
Matt
