The IIRSM participation in the seminar, officially started by, Mr. Ahmed Jahanzeb Country Rep IIRSM Pakistan. He briefed the audiences of the seminar regarding:

- IIRSM Background
- IIRSM Charitable Objectives
- Vision and Mission Statement
- Global Activities
- IIRSM International Partners
- Corporate Structure
- Professional Membership
- Membership Levels
- Membership Benefits
Event Opening:

In the next part, Mr. Muhammad Jawad Zubair as IIRSM Student Member, gave his speech on “Fire Safety at Workplace”. Mr. Jawad highlighted the critical importance of Fire Safety in the wake of the Garments Factory Fire catastrophe in Pakistan. Now there has been greater focus on enacting and enforcing adequate building and fire safety standards around the world, especially in developing countries where there is a less well-developed regulatory framework and enforcement mechanism.

Fire Safety at Work Place:

Case Study of recent Fire Accident which happened in one of Textile Company in Pakistan, Karachi was shared with delegates.

In the later part of presentation current best practices related to fire safety were discussed. It was emphasized how we can learn lessons from experiences and improve the fire safety levels at industrial and commercial premises. This forum was an opportune platform participants to network and exchange critical information and ideas on new ways to improve fire safety at the workplace.

Cake Cutting Ceremony:

A formal cake cutting ceremony was held at the end of speech to serve the guest with deserts followed by special coffee serving at 6:00 pm.

Conclusion:

The IIRSM participation in the congress assessed very useful by the audiences and attendees of the workshop.
