How can we be confident that we understand our fire risks and take appropriate action?

In partnership with Association for Project Safety (APS)

Reserve your place today

This event responds to the industry-wide call in place to strengthen health and safety practices after the Grenfell tragedy, by carefully examining how risk to those working on and living in timber-framed buildings and tower blocks can be reduced and understanding what is meant by competent fire risk assessment.

Date: Thursday 16 November 2017
Time: 6pm-8pm
Address: Birchwood Leisure and Tennis Complex, Benson Road, Warrington, WA3 7PQ
Advanced booking: £10
On the door: £12
(Entrance fee includes a buffet meal).

Open to members and non-members. Branch meeting to follow the event.
